MASKS ARE 'HIGHLY RECOMMENDED' TO BE WORN BY STUDENTS AND STAFF AT ALL TIMES

Mask/Face Shield/Temperature strips: Each student will be provided with two face masks, a face shield and a temperature strip to take home.

Enter the building: When students arrive at BC they will report to the cafeteria. Students will sit in every other seat. Students will remain in the cafeteria until 7:55 am dismissal bell.

Passing Periods: We will be announcing to the students to social distance and keep spacing between them and the next person. Students will not be allowed to hold hands. Teachers will keep classroom doors open between passing periods and encourage students to get to class early. Hand sanitizer stations will be placed throughout the building for student use during passing periods.

Cafeteria: Students will sit in every other seat. Hand sanitizer will be placed on every table. Areas on the floor will be marked to keep social distance. Students will have assigned seats.

Classroom: Students can wipe down their desk at the start of each period (Disinfectant wipes will be placed in every classroom). Hand sanitizer is available in every classroom. Student desks will be placed so they are socially distant. Students will not be allowed to line up at the door at the end of class. Students will have assigned seats. Teachers will allow students to use the restroom during class time to help with crowding during passing periods.

Nurse's Office: Students **MUST** wear masks to visit the school nurse. Nurse area will have a separate COVID area. Teachers will be encouraged to send students to nurse if they have any symptoms.

IRT: Students will sit in every other seat in the cafeteria. Students will have assigned seats.

BUS: Students **MUST** wear masks to ride the bus.

Attendance Policy: Parents must still call the school to report an absence or it will be unexcused. Students will NOT receive credit for any work missed during an unexcused absence. No perfect attendance awards or absence letters mailed to parents.

Virtual Option: If a parent chooses to not send their child to school, they will not be scheduled in a teachers class. They will be taking classes virtually using our Edmentum program.
