

For BCMS Students & Parents/Guardians
Summer 2020
BCMS News Update

BCMS will be open on the following dates and times for parents to acquire their student's back-to-school informational packet.

Monday, August 3rd (10am-7pm)
Tuesday, August 4th (10am-7pm)
Wednesday, August 5th (10am-7pm)

Informational packets will be available in the gymnasium upon entering the building's main flag pole entrance. Parents will be given the opportunity to verify and update any contact and/or medical information related to their child. As Indiana law requires that schools distribute certain materials to the parent/guardian, we respectfully request that parents/guardians please take a moment to complete this necessary demographic and consent paperwork. *(Sitting stations will be in the gym for comfort and convenience while completing required forms.)*

Students and parents will then be able to:

- Find and practice locker combinations
- Locate classrooms and practice following the student's daily class schedule
- Pay book rental (main office)
- Deposit lunch money in your child's lunch account (main office)
- Purchase PE uniforms (main office)
- Enroll for Harmony access or ask questions about Harmony (LMC)

During your orientation visit we are "highly recommending" (not requiring) that face masks be worn. As certain times of the day on these dates may be preferable for students and families, and as it is difficult for us to anticipate the occupancy of the building by parents and students at any given time, please consider wearing a mask during your visit. Thank you.

Although students will not have the opportunity to meet teachers prior to the first student day, we would invite you to visit our main school web page (beginning Monday, July 27th) to view our "Back-to-School BCMS!" virtual orientation video. Your grade level teachers will be pictured, along with what they teach, and in which classroom. We invite you to check it out!

Please note: Except for the BCMS main office, the school will be closed the day of Thursday, August 6th for teacher training.
