

BCCSC COVID - 19 Amended 2020 Calendar

Below is the adjusted calendar for the remainder of the 2019-2020 school year. As a result of the COVID-19 pandemic, the number of required school days has been reduced to 160 (days in attendance + eLearning days). As a result, our last eLearning day will be May 7.

Thank you to our students, teachers, and parents for your flexibility in adjusting to eLearning.

In an attempt to "flatten the curve" and keep our students and community safe and healthy, we reluctantly must share that both Senior Award Day and The Class of 2020 Graduation will be celebrated virtually on their previously scheduled dates. This is not a decision that we enter into lightly. Many of us being long-time school administrators and parents, we understand the sense of pride and accomplishment that both students and parents feel on these special days. That is why we give you our utmost commitment to provide the absolute best graduation ceremony that we possibly can.

In addition, the 8th grade trip to Washington D.C. has been cancelled.

Please refer to your school principal's social media for information specific to your school.

Thank you in advance for your understanding as we navigate these uncharted waters.
