BCHS Students and Parents,

RE: Hybrid Schedule

Brownstown Central High School will be going to a hybrid schedule for the second trimester (Nov 9 – Feb 19). The School Board approved the hybrid schedule at the September 28th meeting. Many schools in Indiana and throughout the US are utilizing a hybrid schedule.

Hybrid schedule information: Students with last names of A-J will attend school on “Red” days and students with last names K-Z will attend school on “Black” days. A student will attend school every other day. The day a student is not at school will be a ‘remote learning’ day. Remote learning and instruction will take place online.

The hybrid schedule will reduce the number of students attending BCHS by ½ which allows BCHS to be socially distant in all classes (except some food lab classes). BCHS currently has 140+ virtual learners and the goal is to have the vast majority of virtual learners return to BCHS for the second trimester.

A Red/Black day calendar has been posted on the BCHS website and social media and e-mailed to students and parents. In a snow day scenario, if your student was expected to attend school, he/she is to be in attendance the next day we return to school.

The hybrid schedule is for the second trimester only and we will reevaluate when we finalize plans for the third trimester.

BCHS is doing everything we can to keep our doors open and students safe. We are also trying to avoid sending potentially healthy students home for 14 days due to contact tracing. We understand that the hybrid schedule might be an inconvenience to some parents, and we appreciate your sacrifice and support. Please know that BCHS is truly trying to do what is best for students during these unprecedented times.

Thanks,
Brownstown Central High School
